No corresponding secretary report.

Craft Show:

Concession stand volunteer time shifted from starting at 7:00 am to 7:30 am due to using a 3rd party vendor for concessions (Old School Deli). Additional signs and stickers need to be bought for the signs.

Concessions:

concessions have been going well. There is occasionally a lack of volunteers, but it has not been a major issue. The stove in the outside stand was fixed so pretzels no cook quicker. There is still an issue finding stock, but when we do get stock it sells out, so things are going well with concessions.

Euchre Fundraiser:

No update in regards to this event happening this year.

Reverse Raffle:

currently still looking for a venue since there are no open dates at the Vintage Hall. The venue needs to hold at least 200 people. If we cannot find a venue, there will be no reverse raffle.

Scholarships:

Questions were asked regarding requirements, the dollar amount given, how the dollar amount given to students is decided, who makes these decisions, and where information can be found. Communications regarding the scholarship needs to be improved..

Athletic Director Report:

sheets were made with times on it for when student athletes need to volunteer at the craft show. Schedule has stayed the same since. Girls cross country won league and district championship. Winter season is coming up

soon, announcements will be made soon regarding tryout times. We've been fortunate to not have to deal with any COVID related issues during the fall sports, hopefully this luck will continue in the winter. Teams are allowed to host banquets this year, up to coaches discretion.

Old Business:

Asked about 50/50 at football games. In order to do this, we need to get a license for any raffle over \$250 and need volunteers to sell the tickets.
