

Fraser Public Schools - General Classification of Users

It is the policy of Fraser Public Schools to make school facilities available to the residents of the school district within established regulations intended for the protection of the interest and property of the school district. School facilities are available via the following priority:

Group 1 (School Affiliated Groups)

School Affiliated Groups are defined as those whose activities directly relate to the District.

The following groups within Fraser Public Schools community are in general, exempt from indoor and outdoor facility fees and may use the school facilities during the normal work day as approved by the appropriate administrator. Events under this designation are not subject to facility fees. Any personnel costs incurred by Fraser Public Schools for the event will be billed accordingly if event occurs at a time other than the regular custodial schedule or causes overtime due to additional work.

Individuals within these groups who wish to use the school facilities for personal use will be considered Group 2.

Qualifying groups encompass members of our student body and staff, sponsors, classes, athletics, clubs, etc., including the following:

- District Staff (for professional use)
- Board of Education and School Committees
- Student Clubs
- Fraser Public Schools Athletic Teams and associated practices
- Fraser Education Foundation
- Fraser Alumni Association
- Fraser Employee Associations
- Booster Clubs
- Parent Teacher Organizations

These groups will not be charged for any facility fees unless it is deemed necessary by the Superintendent or an authorized designee.

Group 2 (Parent and Student Affiliated Organizations)

At least a majority of the members/participants of a parent and student affiliated organization must be students that currently attend Fraser Public Schools and/or parents of a student that currently attend Fraser Public Schools. Some of these groups include:

- Girl Scouts & Brownies
- Boy Scouts & Cub Scouts
- Parks & Recreation (located within the District)
- Other District Approved Organizations

These groups will only be charged for facility use if they are using the facility outside of normal business hours. Certificate of Liability Insurance or waivers will be required when submitting a Facility Use Request (see "Liability Insurance Requirements").

Fraser Public Schools - General Classification of Users

Group 3 (Community Organizations)

To be considered a community organization at least a majority of the members/participants of the organization shall be residents of the Fraser Public Schools. The School district may require a membership list of names, addresses, and phone numbers of all members as verification. Some of these groups include:

Little League or Other Organized Athletic Teams
Kiwanis, Good Fellows, Lions and other non-profit organizations
Municipalities
Neighborhood Groups
Churches/Religious Education Classes

Fees will be charged for this group in accordance with the Facility Use Fee Schedule. Certificate of Liability Insurance or waivers will be required when submitting a Facility Use Request (see “Liability Insurance Requirements”).

Group 4 (Non-Community Organizations)

This group includes all other organizations or groups not listed above. However, a group or organization under this category may conduct training or meeting sessions for employees related to their business, but may not actually generate revenue or profit from the activity. A fee for use is charged as set forth in Facility Use Fee Schedule. Certificate of Liability Insurance or waivers will be required when submitting a Facility Use Request (see “Liability Insurance Requirements”).
