

Beginning September 8, 2020, all children up to age 18 are eligible for FREE Meals!

- Breakfast and lunch are available Monday-Friday from 7-11 a.m.
- Pick up meals at the Fraser High School Cafeteria
- Please use the the southern entrance to the Klein Road parking lot (closer to the stadium) and proceed to the cafeteria door (so the school is on your driver's side).
- Students do not need to be present for meal pick-up.

Free and Reduced Price Meal Application

- Parents are strongly encouraged to complete a Free & Reduced Meal Application at www.lunchapp.com.
- Funding for the current free meals program is only approved through December 2020 and could be eliminated at any time.
- Once this free program ends, your meal price will be dependent on your child's eligibility status. In addition, your application status could make your child eligible for other support from the District.

Pre-Ordering Meals

- Parents can pre-order their child(ren)'s meals using www.sendmoneytoschool.com.
- Once logged onto the website, click on "Your Children". You will now see an "Order" button where you can select your child's meal for the day.
- All students that are requesting a breakfast and/or lunch should select option "A" which is a curbside meal pick-up for virtual learners.
- Parents can order a meal for their child on any given day up to one week ahead of time, such as ordering Monday for the following Monday. You must order meals 1-2 school days in advance (see schedule below).
- We recommend visiting www.sendmoneytoschool.com every Friday to order meals for the following Monday-Friday.

SACC/ECC Meals

- Families utilizing SACC/Early Childhood Care will be provided both breakfast and lunch on days they attend the program. Meals will be delivered to the classrooms.
- When pre-ordering these meals, SACC/ECC breakfast & lunch will be considered an option "B". Option "B" is ONLY available for SACC/ECC students.
